Cyber Safety for your child

Chances are, your child uses a computer, mobile phone and the Internet more regularly than you do. Here are some tips to keep your child safe in an online world that you might not be part of.

Keeping your kids safe online is easy with a few simple precautions.

1. Nothing replaces parental supervision and education for kids about cyber safety.
2. Set a technology curfew.
3. Remind your child to never give out identifying information such as your home address, school name or telephone number in a public message such as chat or newsgroups.
4. If your child posts photos online, use privacy settings to limit access to people they know well.
5. Remind your child that people don't always tell the truth online, and they can't take anything at face value.
6. Reassure your child that they can tell you anything, without fear of losing the laptop or internet access.
7. If they get a message or email that's threatening or rude, they should 'STOP, BLOCK, TELL'. First step is to tell your child to stop responding to the abuse and then block those people sending threatening or rude messages if they continue. Let your child know that if they are being bullied, or know someone else who is, they should tell a trusted adult.
8. Never click on any links that are contained in emails from people they don't know. As well as sexual content, they could contain a computer virus.
9. If you suspect your child has been contacted by a predator, try to save a copy of the chat log (or whatever form the contact takes) for evidence. Call Crime Stoppers 24-hour line 1800 333 000 to make a formal complaint.
10. Your child will be using computers and the technology for the rest of their lives – you’re in the great position of being able to get them off to a safe, positive start.

Keeping Facebook Private

At a glance

- Google your child's name, then search for them on Facebook. See who has access to what information.
- Make sure your child sets their privacy options so only genuine friends can find them on Facebook.
- Having hundreds of Facebook friends isn't proof of popularity, just proof privacy is not being taken seriously.
- What goes on Facebook can become public and permanent – the good, the bad and the soul-destroyingly embarrassing. Future employers will probably search for your child’s name on Google and Facebook.
- Emphasise to your child that they should never agree to meet with anyone they have “met” on Facebook (or any other internet-based social network), without a parent or responsible, trusted adult present.

Furthermore, life online works better when people maintain good manners and treat each other as they’d like to be treated. Talk about this with your child and it may lead to a decline in bullying behaviour and disagreements that children have.

Sports Bits

Boys Cricket Regional Trials
Charles Asser and Blake Kernaghan travelled to Sawtell on Monday to try out for the North Coast Cricket team. Both boys played well and Blake gained selection in the North Coast team. Well done boys and congratulations Blake!

AFL Zone Trials
Blake Kernaghan, Flynn Bosselmann and Shaun Hartley will participate in the Zone AFL Trials Thursday March 21 at Bangalow. Good luck boys!

Boys Cricket Team
Lennox Head defeated Ballina in their round 1 match held at Williams Reserve last Friday. A solid all round performance by the Lennox Head team saw them bowl Ballina out for 46 runs and in reply Lennox Head finished on 140. Well done boys!

Regional Swimming Carnival

Winter Sports Trials
The District Winter Sports Trials are being held this Friday March 15 at Kingsford Smith Park Ballina, commencing at 12noon. Lennox Head Public School will be represented by:
11years League: Shane Lennon, Flynn Whitney, Jared Lofts.
Girls Football: Belle Powick, Karina Hartley, Ruby De Plater and Ella Jackowski.
Boys Football: Fabian Boucaut, Blake Kernaghan, Shaun Hartley and Ben Bordin.
Netball: Mia Phillips and Amelia Farrant.

Good luck everyone!

Caring for our School Community

Peer Support Groups

This week in Peer Support children will look at some of the reasons why bullying occurs and what sort of activities could be undertaken instead. Bullying behaviour is often the result of anger, loneliness, boredom or the desire for fun or attention. It is also linked to lack of empathy by those doing the bullying. If children can encourage one another to engage in more productive activities then the incidence of bullying behaviour in our school may decrease.

School Zone Safety Enforcement Program

Pictograph: Ballina Shire Council would like to ensure that no child is injured or killed whilst travelling to and from school. To improve road safety around schools, we need your assistance. Familiarise yourself with the parking restrictions around your school and teach your children to be safe around traffic.

Always supervise a child and hold their hand when crossing the road.

Schools are areas where there is a lot of interaction between cars and pedestrians; including your children. Children are small, hard to see, behave unpredictably and are extremely vulnerable. Their lack of road experience means it is difficult for them to judge dangerous situations.

Boys are twice as likely to be involved in child pedestrian casualties as girls and children 10-14 years have the highest rate of child pedestrian casualties (Roads and Maritime Services). You need to take extra care when driving and parking in and around school zones, even when you think there are no children around.
