Producing Excellent Students

Student of the Week

Our student of the week always displays the three key values of Respect, Responsibility and Integrity.

She is a polite and helpful member of the class, is always happy and will do anything asked of her. She sets a positive example in class and produces work to the best of her ability.

She is a good friend and is empathetic to the needs of others and is a great big and little sister.

She is a keen sportsperson who represented our school in Athletics this year.

Congratulations Kobi Curtis

From the Principal’s Desk

Well the weather has certainly warmed up this week. Thanks to the parents that always ensure their child is coming to school with their hat and water bottle. If you do require a new hat, Sue does have these for sale in the canteen.

The 2015 Kinders completed a very successful orientation program on Tuesday. We look forward to seeing all of your smiling faces again next year. A big thank you to Mrs Cork, Mrs Thomas, Mrs Hoile and Miss Clarkson for helping to co-ordinate this. Also thank you to the rest of the staff who were very accommodating when we had to condense other classes or move into your classrooms, it certainly helps to make it all run much more smoothly.

Swimming begins this week for all of the K/1 children and some students in Years 2 to 6. Please ensure that your children come to school every day with all of the necessary equipment. Thongs or sandals are very important for the K/1 children as we wear them to and from the pool on the bus. When we are back at school, we get dressed and put our other shoes back on. Please label everything, including towels and goggles. If your child’s school shirt or socks are not labelled please ensure they are before Monday. It is difficult to give items back to the correct owner, when they all look the same.

We have also noticed that some children are arriving at school very early. A reminder there is no supervision at school prior to 9am. Children should not be arriving at school at 8:30am. There is an excellent before and after school care facility that operates on site who are more than happy to enrol your child, to ensure their safety before school.

In addition, we have had other children arriving late to school. It appears some children are going via the Skate Park on the way to school, they then lose track of time and arrive late. We would prefer that children go straight to school from home in the mornings and afternoons. Parents are then aware of where their children are. It is of utmost importance to us, that children are safe at all times.

A reminder if your child is not returning to Lennox Head Public school in 2015, please let us know as soon as possible so that we can adjust potential class lists. In addition if you know of any prospective enrolments, please let us know, we would love to add them to our lists.

Teachers are currently busy writing reports; these will be sent home on Friday the 5th of December.

Our major assembly will be the following Friday the 12th of December at 10am in the school hall.

Whilst speaking to several children and to classroom teachers lately, it has come to our attention that a lot of children are spending a lot more than 2 hours in front of screens daily. We live in an age where technology is freely available and many of us have multiple devices in our homes. We do ask that parents be mindful of setting limits and controls so that children remain safe. The following websites have excellent information and may give you some tips on how you can help to manage your child’s screen time, particularly as we are heading into the summer holidays.

This site explains apps that you can purchase to ensure your children are only accessing what you would like them to.

Have a fantastic week,

Gingerbread Houses for Christmas

Last orders need to be received tomorrow (that’s this Friday!) for the beautiful gingerbread house kits available from the P&C.

There are two great options. Come along to the School Hall on Thursday 4th December and construct and decorate your house in a festive atmosphere with others. Have it gift wrapped and walk away with a fantastic creation ready for Christmas time. (no mess at home and lots of help if you need it).

Or

Order your very own gift packaged Gingerbread house kit to make at home or even easier to give to someone else as a gift. Order 3 and your Christmas shopping is done!!

Gluten free available for both.

Whichever you choose please drop your order with payment at the school office by end of school on Friday. $35 per house includes absolutely everything you need or email Sandra on prsb@bigpond.com with your order.

Last Chance to order – so don’t miss out.
