From the Principal’s Desk

Our Year 6 students and their teachers arrived home safe and sound early last Friday morning. They all had a fantastic week together Miss Atkins, Miss Rollison and Mr Lennon enjoyed their time away with our delightful Year 6 pupils. Many positive comments were made from many places that they visited as to what an outstanding and respectful group of young people they are. You should all be very proud, thank you for representing our school in such a positive way. We would also like to thank PACER for their monetary contribution to our excursion. Their support enabled us to reduce the cost to the Year 6 pupils, which ensured the majority of them were able to attend.

On Tuesday we welcomed to the school our new Kindergarten students and their parents for the first of their orientation visits for the 2016 school year. They all had a fantastic time and enjoyed joining in all of the songs, stories and craft activities. They got to take home the octopus they made and enjoyed a wonderful morning tea, with food provided by our current Kindergarten parents. We will welcome them back again next Tuesday, when they will get to meet their buddies. We look forward to seeing you all again next Tuesday at 10am.

On Monday I will take another group of children to morning tea, as their reward for becoming Honour, Merit and Distinction students. There will be one more morning tea held late in the term, for anyone else who achieves one of these levels before the end of the school year. Our last Friday assembly for the year, where our usual awards will be presented will take place on the 4 December. Our major presentation assembly will take place on the 11 December at 10am.

Next Wednesday is Remembrance Day. The School Captains and I will be attending a service in Ballina to commemorate this special occasion. It is the 97th Anniversary of the Armistice which was signed on the 11 November 1918 to signify the end of the 1st World War. Next Wednesday afternoon Gabby Bolger, Finley Connors and I have been asked to attend a ‘mini walls coming down’ ceremony as winners of the B-SPACE competition, in Swift Street. All winners of the various design areas have been invited to attend. Local media will be present at the afternoon ceremony.

A reminder that no-one should be on school grounds after hours, unless you are here as part of an organised activity, for which approval has been granted. We did have some people on site over the weekend, but we were able to work out who they were due to the security cameras we now have installed. Thankfully no damage was done to school buildings and we have spoken to the children involved. If at any time you do notice people on site please call the Education Security Unit on 1300 880 021, or the local police.

Have a fantastic weekend

Deb Langfield.

Thank you to those children and parents who have paid for lost or misplaced books already. Your assistance with this is appreciated.

If you believe that the books has been returned please jot a note and I will re-check the shelves.

Thank you

Thought for the week

Parent Survey
Below is a link to a parent survey we are conducting at present.

https://www.surveymonkey.com/r/NZRY89Z

We are encouraging all parents to complete the survey. There are only 20 questions and it should take you no longer than 10 minutes to complete.

We are aiming for at least 85% of parents to respond, so we get a really clear snapshot of what you think about your child’s school. All survey responses are anonymous.

We will be conducting a random draw later in the term and if you or someone in your family completed the survey, you could win your child’s book pack for free next year. That is, you will only have to pay for other costs, such as shows, Mathletics. Your book pack will be given to your child for free.

You have to be in it to win it!
We would really appreciate your input.

Community Announcements
Mid-year a Gibbon St Steering Committee was established which is supported by the Lennox Head Residents’ Association. The members live along Gibbon Street & have become frustrated with the council’s response on traffic that is speeding & failing to comply with basic road rules.

Apart from liveability concerns, these members have all had their own dangerous experience due to this traffic. As part of collecting data on other Gibbon St residents’ experiences (eg. one resident has been knocked off her bike by overtaking traffic), the committee is asking primary school parents if they have serious concerns with driver behaviour on Gibbon St and/or had a dangerous experiences.

If so, please contact Monica Wilcox 0408 776 171. Your comments will be added to the data that is to be presented to the Ward B councillors and other council related sectors.
