- 26 June  Last Day of Term

**Term 3**

**Week 1**
- 13 July  Staff Development Day
- 14 July  Students Return

**Producing Excellent Students**

**Student of the Week**

Our student of the week has a positive attitude in and out of the classroom, he is a quiet achiever who always gives 100% in everything they do.

He is a keen mathematician and always display the three key values of respect, responsibility and integrity. He has represented our school in basketball, rugby league and AFL. He is extremely fast and rarely sits still for long, representing our school at district and zone for sprinting.

They are a fantastic buddy and role model to our younger students, congratulations William Borrack.

**Honour Student – Amalia Cook**

1st Place – Multi-Cultural Public Speaking held at Alstonville last Tuesday
From the Principal’s Desk

After a fantastic week last week, yesterday I was woken early by one of our lovely cleaners to inform me that we had been broken into overnight. There was some damage in the office area and some items have been taken from both the office and 2 classrooms. I would firstly like to say a massive thank you to the staff yesterday that just continued to get on with the day to day running of the school, even though some of them also had items taken. I would like to especially thank Susan Vidler who managed to keep the office area functioning in some capacity, even though we felt homeless for quite some time.

I would also like to commend all of the pupils who showed amazing concern for us and were also horrified that someone would want to damage our school and steal things. It is not a nice feeling, but I was extremely humbled by some of them offering to start fundraisers so we could replace our stolen items. I am very proud to lead such a wonderful group of staff and students and to live in such a caring community. Thank you all for your support.

If at any time you do see anyone on school grounds after hours, or if you are going by and see something that doesn’t look quite right, please phone the Education Security Unit on 1300 880 021 this number is manned 24 hours a day. We will now be looking at additional security measures, so that hopefully we can avoid further such instances in the future.

Student reports will now not be distributed until Monday. Unfortunately the break in yesterday and the loss of some office computers has meant we effectively lost a whole day of printing. We do apologise, unfortunately this is something that we could not control. We will do our utmost to have them to parents on Monday afternoon. If you have any questions regarding your child’s progress following the reading of the report please make a time to come and see your child’s teacher. Remember if your child receives a grading of Sound, this indicates they are meeting the expected outcomes for their Stage.

Our year 4 students left for camp yesterday and from all reports are having a fantastic time. We are looking forward to hearing all of their stories when they return tomorrow afternoon.

A reminder our school athletics carnival will be held on Thursday 25th of June. Kindergarten children will be notified of which house they are in by Friday. The whole school is involved on this day. Please feel free to come along and support your children or offer some of your time to help in the canteen or to help teachers run activities.

Have a lovely weekend
Regards Deb Langfield

Donations

Thank you to Grace Jackowski for donating books to the library.

CWA Competition

Please hand in to Mrs Blair. Closes tomorrow!

Overdue Books

There are many children with overdue books. Please hand in by the holidays.

Thought for the Week

“Things don’t have to change the world to be important”
Steve Jobs
Brainstorm Productions - Magic Words

A reminder to all Year 3-6 students who have not yet paid for the Brainstorm Production ‘Magic Words’ on Wednesday 24 June at 2:15pm ' to our Year 3-6 students. If you had not paid for shows at the start of the year, you would have received a note requesting payment last week. This must be returned by Monday 22 June.

Regards Karen Armstrong

Tree Planting

How to grow a plant!
First you dig a hole big enough to fit the plant in. Second you put the plant in. Third you cover the hole. Fourth you put the mulch around it but make sure that the mulch does not touch the plant. Fifth you water about a litre of water and sixth you put a bamboo stick beside it.

Pirate Day

Arrghhh my hearties! A mufti pirate day was recently held to raise awareness of Childhood Brain Cancer. The SRC (Student representative Council) organized this mufti day by having children donate a gold coin and dress up as a pirate. Classes completed pirate based activities.

The children and teachers had a great day dressing up for this very worthy cause. They were raising money for Conor Colgan who at the age of 5 found out that he had Brain Cancer. His father (Nathan Colgan) asked Conor’s school if they would hold a fundraiser where the students and teachers had to dress up as Pirates. It was a huge success and they decide to hold it state-wide.
